

UNITED STATES DISTRICT COURT
FOR THE
NORTHERN DISTRICT OF TEXAS
FORT WORTH

Lisa A. Biron,
Plaintiff

v.

Jody R. Upton, Warden,
FMC-Carswell, et al.,
Defendants.

Civil Action No.: 4:15-CV-205-0

Request for Emergency Temporary
Restraining Order

**Motion to Amend Complaint to Request Emergency Temporary
Restraining Order**

On March 18, 2015, after months of proceeding through the administrative remedies process, the Plaintiff filed a civil action against the Defendants seeking a preliminary injunction, a permanent injunction, a declaratory judgment and damages. By Deputy Clerk letter dated May 26, 2015, the Plaintiff learned that the Defendants have not yet been served with this suit.

On June 1, 2015 at 12:33 p.m., Plaintiff received another incident report for allegedly sending mail to her daughter, R.B. The Defendants will likely again take away Plaintiff's phone privileges while she is in the midst of trying to collaterally attack her underlying conviction and may confine her in the Special Housing Unit.

The Plaintiff has stated a prima facie case of multiple civil rights violations in her initial complaint. The complaint was initially screened by the Court in order to grant the Plaintiff in forma pauperis status. And being an attorney herself, the Plaintiff can not fathom why her law

suit has not yet been sufficiently screened, the Defendants served, and a preliminary injunction issued.

The ongoing violation of the Plaintiff's constitutional rights as set forth in her verified Complaint amounts to an irreparable injury. The sanctions including loss of phone when the Plaintiff is trying to represent herself in her criminal case will cause irreparable injury.

The Plaintiff requests this Court restrain the Defendants from acting on, or sanctioning the Plaintiff for, the June 1, 2015 Incident Report until the Court can rule on her request for the Preliminary Injunction.

The Plaintiff has given a copy of this Pleading and the Proposed Order to Show Cause to the lieutenant on duty.

Respectfully submitted,
